

Sebold Capital Management Celebrates its 20th Anniversary

FOR IMMEDIATE RELEASE

Naperville, IL - Sebold Capital Management, Inc., an independent fee-only wealth management firm is proud to be celebrating its 20th anniversary. Sean Sebold founded Sebold Capital Management in 1998 in Chicago, and shortly after, moved the business to Naperville.

Sebold Capital Management has grown from one person's vision to a thriving office of six staff, plus seasonal interns from local colleges, all working together for the benefit of each client. Sebold Capital Management works with a limited number of families who have a net worth ranging from \$2mm to \$150mm. We can attribute the growth and overall success of the firm to a commitment to the mission: *to build relationships on integrity, trust, and unrivaled personal service.* By listening, evaluating, educating, and upholding strict confidentiality, we prepare the roadmap to achieve what matters most to our clients and guide them through the challenges life presents along the way.

"I am very proud that Sebold Capital Management has been successful for the past 20 years with a 99% retention rate. Service and integrity underscore that success," says President, Sean Sebold. "When we do take on a new client, it is because we feel a strong connection to the goals and priorities they have for their families and businesses. We constantly strive to understand all of our clients' needs, and support them in any way we can.

Sebold Capital Management kicked off the anniversary year in January with an annual dinner meeting discussing Cybersecurity with an expert panel. Also in January, Sean Sebold discussed investment and financial planning advice for the New Year on WTTW Chicago Tonight with Phil Ponce. In February, Sean will be presenting to Microeconomics students at North Central College; and in March, Sean will be speaking at the Hesed House Champions of Hope Breakfast. The firm will be hosting a 20th Anniversary outing this summer for everyone that has been involved in the success of the firm and for those in the community that would like to meet the Sebold team.
